Important Changes To Purchase Orders From Commonwealth of Virginia eVA Electronic Ordering

Please note that Commonwealth of Virginia eVA Electronic Ordering is now using the Ariba® Network, an Internet-based service, to transmit purchase orders to you. Your customer has already pre-enabled your account, but your action is required to complete the activation process even if you already have an existing account.

If more than one email address is associated with your organization for PO delivery, then the copy of this purchase order would be sent to them as well.

2. aribanetworkadmin@ariba.com: Allows Purchase Orders to be delivered to you.

3. noreturn@dgs.virginia.gov: Allows Quick Quote and other Solicitation opportunity notifications to be delivered to you.

If you are unable to change your SPAM settings, please contact the support person/group within your organization or your internet access provider.
